Callaghan Valley Backcountry Access 2011-2012 Update

Scott Nelson (SW BC Rec & Con Committee)

Whistler Olympic Park (WOP) and Callaghan Country (CC) have parted ways and are running separate operations for the 2011-2012 season. Both operations are offering discounted tickets for backcountry skiers to use the XC ski trails to access the backcountry (\$10 at WOP, \$8 at CC mainline trail only). At WOP, do not use the access routes suggest by John Baldwin's guidebook Exploring the Coast Mountains on skis, as the ski jump and the access road to the north are permanently closed. Instead use the marked backcountry access route that climbs to Hanging Lake. Free overnight parking is available at WOP with the purchase of a backcountry access pass. The overnight parking area is outside the main gate, and may also be used by backcountry parties departing or returning outside the normal WOP hours. At CC, overnight parking in the regular lot is \$20 per vehicle. [Click here](#) for more details.
