Club	South Okanagan Trail Alliance
Contact	Andrew Drouin
E-mail	andrewdrouin@gmail.com
Project title	Current and future trail-maintenance projects
Total cost of project	500.00
Amount received from the FMCBC towards your project	450.00
Did you successfully complete your project?	Yes
If you answered Yes to the question above, when was your project completed?	October 1 2014
Please describe how your project went including any challenges, surprises, or highlights. If your project was not completed please use this space to explain why it was not completed.	Our crew was able to successfully brush out the WARD1 and Sauerkraut trails within our BC Parks partnership agreement. The power-tool acquired will continue to be pressed into use for longer-term maintenance of same over the next decade+.
List 1 to 3 lessons you learned through your project	Brushing softwoods up to 1" in diameter is possible with the Stihl power-tool.
Please provide any additional comments you may have on your project and/or advice for other clubs who might be considering a similar project	If other clubs are interested in brushing out trail corridors, the Stihl brush-cutters are the perfect tool.
Approximately how many volunteer hours (if any) were involved in your project?	10 hours to date.
Please include links to press releases, newsletter articles, blog posts and/or social media and website updates which recognize the FMCBC's financial contribution to your project.	We posted all of the information on Facebook and Twitter, as well as the South Okanagan Trail Alliance website. All of these posts are, unfortunately dated to the point where they are no longer accessible...

Please upload a minimum of 2 and maximum of 10 photos of your project - please submit these in JPEG or PNG format.
