FMCBC Insurance Update

After much debate the FMCBC Insurance Committee decided to go with a new insurer, Integro to provide Commercial General Liability Insurance to its clubs. Currently the new CGL coverage does not extend to the USA, but the committee is working with Integro to try to change this as several clubs plan trips to the USA every year. ANNOUNCEMENTS

FMCBC AGM—FMCBC's Annual General Meeting will be held on Saturday, June 4th in Surrey. This year's AGM will include a Strategic Planning session on Saturday afternoon based on results from interviews conducted by Terje Vold who is facilitating this process. The results of this session will be shared with all clubs later in June in a final report which will be used to help direct the FMCBC over the next several years. Thank you to all those who have already participated in this process and we look forward to sharing the results soon.

CLOUDBURST—The next issue of Cloudburst will be coming out early in June by mail and email. Not as many articles were received for the upcoming issue and we encourage Directors and Club members to send in your interesting trip reports, club activities and photos for the next issue by October 15th. If you receive an email version of Cloudburst, but would like to receive a hardcopy please [email us](#) to request one.

The FMCBC would like to welcome the [Friends of Strathcona Park](#) as our newest member club.

With the late Spring, avalanches and washouts of access roads are a real possibility. Visit the [River Forecast Centre](#) to stay informed and stay safe in the backcountry.

For those who are interested there is a new [Hiking Guide](#) available for the Gulf Islands.

The Canadian Institute of Forestry and the UBC Faculty of Forestry are sponsoring a **Community Dialogue Session on Thursday, June 23, 2011** at 7pm at the Forest Sciences Centre room 1005 2424 Main Mall at UBC to discuss views and concerns over the long term health of BC forests, our environment and our economy.

The mission of the FMCBC is to foster and promote self-propelled activities, such as hiking, mountaineering and backcountry skiing in British Columbia through leadership, advocacy and education. By working together with outdoor recreation organizations, industry and government agencies, the FMCBC protects British Columbia's mountains and forests for our future generations to experience.
