## DECEMBER 2012 E-NEWS - Happy Holidays from the FMCBC!

### **FMCBC Dues Reduction for 2013**

The FMCBC Board of Directors voted in favour of reducing FMCBC membership dues beginning in 2013 from \$15 per member to \$10 per member. The FMCBC has given out membership rebates for the past two years and the Board decided to make this a permanent reduction. Each year the FMCBC's financial situation will be reviewed by the Board of Directors at the AGM, but for now the Board feels that the current expenses of the FMCBC can be covered at \$10 per member.

### **Management Plan Amendment for the Spearhead Area - Garibaldi Park**

In January 2012, BC Parks initiated a management plan amendment process for Garibaldi Park. In October 2012, BC Parks reported on the results of its initial consultations (January to April) and made [recommendations for proposed amendments](#) to the 1990 Master Plan for Garibaldi Park. The FMCBC has several concerns with the draft which you can review [here](#). We encourage our members to take some time to review the draft and send in their comments [online](#) by the **January 10, 2013 deadline**.

### **Free Trail Markers for Clubs who Donated their Rebates**

A motion at the last Board of Directors meeting was made to offer free trail markers to those clubs who donated their 2012-2013 rebate back to the FMCBC. In the new year, the FMCBC will be contacting those clubs who qualify to offer them 5 trail markers per member up to a maximum of 500 trail markers per club.

### **Mount Seymour Parking Update**

Mount Seymour Resorts has again implemented an interim Winter Parking system that is intended (November to April) to give them parking spots for as many of their paying customers as possible on busy days. ### **Smoke Bluffs Park**

In August 2012, the FMCBC received a proposal from District of Squamish for transfer of the FMCBC lands to the District for the purpose of incorporating the lands into the Smoke Bluffs Park.
