

Response received by email on August 5, 2015

Hi Jodi,

This should not be a concern. I don't believe we are constructing in that exact area. As you can see from this aerial photo below (scroll down in this email) the portion of West Shore Parkway at Sooke Road is already dedicated land and mostly constructed. There are no further alignments needed there so if hikers are currently accessing areas from the area of 4400 Asworth Road (shown below) there are no changes proposed there.

Thanks
Michelle
