Please describe how your project went including any challenges, surprises, or highlights. If your project was not completed please use this space to explain why it was not completed.	Over the summer 2014, thanks to the Members Club Grant from FMCBC (Federation of Mountain Club BC), 32 youth ventured to Squamish, BC to experience outdoor rock climbing for their first times in 3 trips led by 2 ACMG guides Klemen Mali and Will Stanhope. It is a joy explosion to see the big group of youth learning how to belay, making new friends, enjoying the outdoor and sharing lots of laughter.
List 1 to 3 lessons you learned through your project	Outdoor climbing and education and just fun activities outdoor is really effective to help youth make friends with one another and bond.
